To

The Secretary,

Indian Association for Radiation Protection (IARP)

Mumbai

The Department of Physics, Fergusson College, Pune in collaboration with the Indian Association for Radiation Protection (IARP) had organized a **“Public Awareness Program on Peaceful Applications of Radiation”** on Saturday, 11<sup>th</sup> February 2017.

The objective of this program was to create awareness about a peaceful applications of nuclear radiations and its safety among students and faculty members for the benefit of the society. Three lectures were delivered during this program.

The topics of the talk were

1. Fundamentals of atomic energy by Dr.M.S.Kulkarni, BARC
2. Radiation and Environment by Dr.D.D.Rao, BARC
3. Atoms for peace by Dr Pramila Sawant, BARC

Dr. K. P. Muthe, Dr.Yatin Thakur and team presented a innovative Skit **“Kum mai hai dum”** which was the main attraction of the workshop. All the IARP

team also demonstrated Radiation Monitoring Instruments in batches to all the students. All the lectures, skit and demonstration were very fruitful and enjoyable.

The workshop was attended by both Undergraduate and Postgraduate students, nearby colleges also sent their students with teachers to attend the workshop. There was a very good turnout of about 150 students inspite of exam going on in the colleges. We are however requesting you Sir, to please organize a similar workshop in future for those who could not attend the workshop.

There was good interactive question and answer session which was fruitful for all the students.

Thanking you for taking initiative to hold it in our college. Looking forward for further interaction.

Yours Sincerely,

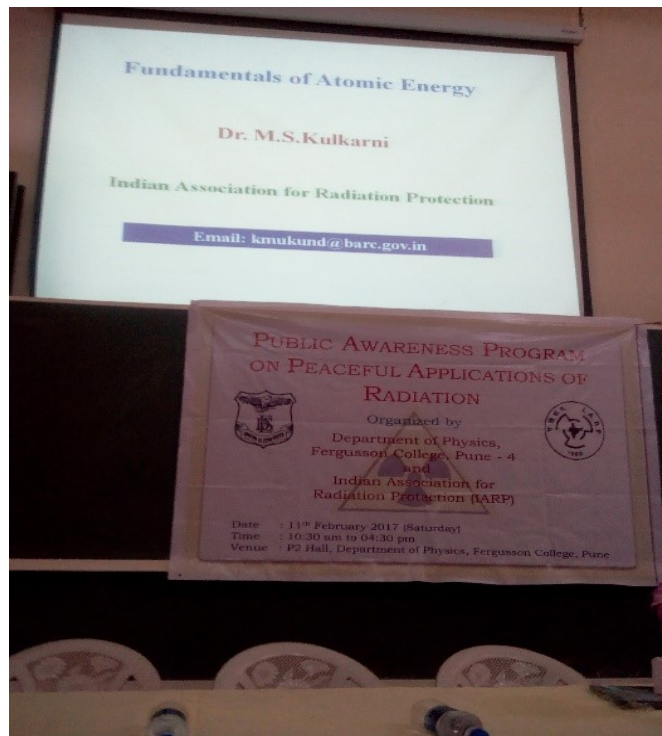

Dr. Nandkumar Mandlik  
Co-ordinator  
Associate Professor  
Fergusson College Pune-4

Dr.R.V Dabhade  
Associate Professor  
Head, Department of Physics  
Fergusson College Pune-4

**HEAD**  
Dept. of Physics  
Fergusson College, Pune-4.

Dr. M S Kulkarni, Secretary, IARP demonstrating the radiation monitoring equipment to students of Fergusson College, Pune
