IARP Young Scientist Award (IARPYSA) – 2020

Call for Nominations

Nominations are invited by the IARP Young Scientist Award Committee of IARP' from Heads of Institutions for conferring the prize on any Indian Scientists / Engineers below 35 years of age as on 1st January 2020. The nominee should have done meritorious work in the field of "Occupational Radiation Protection, Radiation Dosimetry, Radiation Protection Instrumentation, Radiation in the Environment and Theoretical Studies & Simulations related to Radiation & Environment" in India during the preceding five years.

The nominations should have the following details:

1. A brief of the nominee including the nominee's full name, date of birth, educational qualifications and address for communication (including telephone, fax number and E-mail ID).
2. Short write-up (not exceeding 300 words) highlighting major contributions of the person nominated.
3. List of relevant publications in the field of work carried out by the nominee (Multi-authored papers of which the nominee is the major contributor may also be included) with four sets of reprints.
4. A certificate from the Head of the Institution or Laboratory where the research work carried out by the nominee.
5. Name and address of at least two referees (not related to the nominee) who are familiar with the nominee's work and research ability.
6. Name, designation, address and signature of the nominating person.

It will be the endeavor of the Committee to recommend the awardee for IARPYSA and the award will be bestowed during the IARPNC-2020 Conference (in case the number of nominees are less three, the award may be carried forward).

The nominations may please be sent to the following address on or before December 20, 2020.
