

IARP - TRAINING CALENDAR FOR YEAR 2021

Sr. No.	Title of the Course	Course Number	Duration
1.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG-169	March 08 – 17, 2021
2.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG-170	April 19 – 28, 2021
3.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG-171	May 03 – 12, 2021
4.	Radiation Safety Aspects in Research Application of Ionising Radiation (8 working days) Online	RA-53	May 24 – June 02, 2021
5.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG-172	June 14 – 23, 2021
6.	Radiation Safety Aspects of Gamma Irradiation Chamber (Category –I Irradiators) (8 working days) Online	GIC- 07	July 05 – 14, 2021
7.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 173	July 26 – Aug 04, 2021
8.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 174	Aug 09 – 18, 2021
9.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 175	Aug 30 – Sept 08, 2021
10.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 176	Sept 13 – 22, 2021
11.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 177	October 04 – 13, 2021
12.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 178	October 18 – 27, 2021
13.	Radiation Safety Aspects on Radiological Calibration Laboratories (Radiological Monitoring Instruments & Pocket Dosimeters, (10 working Days) Online	CAL - 05	November 01 – 13, 2021
14.	Radiation Safety Aspects of Nucleonic Gauges (8 working days) Online	NG - 179	Nov 22 – Dec 01, 2021
15.	Radiation Safety Aspects in Research Application of Ionising Radiation (8 working days) Online	RA - 54	December 13 - 22, 2021

Note:

1. These are the tentative dates of the training programme proposed to be conducted in the year 2021. These may be revised as per the instructions from Head, Radiological Physics & Advisory Division, BARC, Anushaktinagar, Mumbai – 400 094.

2. Written and Viva-voce examination will be conducted by RP&AD, BARC, Mumbai after completion of Online course. Dates will be communicated separately for this purpose.

(T. Palani Selvam)
Head, CRP & QAS, RP&AD

(Dr. B. K. Sapra)
Head, RP&AD
